Join Interfaith Creation Care of the Triangle for the [2nd Annual Climate Prayer Chain for the Earth on Monday, October 3, 2022 at 5:00 PM](#). We will form a human prayer chain on the sidewalks of Wade Avenue between and beyond the Unitarian Universalist Fellowship of Raleigh and the United Church of Christ. A brief outdoor clergy-led prayer vigil with music will follow at 6:00 PM at UUFR. All congregation members, peace & justice and Creation care teams are invited to come in groups and bring friends. Clergy are invited to attend in clerical garb. [Watch this Amazing Video from last year's Prayer Chain and feel the excitement!](#) Questions? Contact ICCTriangle@gmail.com.
